Dear Friends:

On behalf of the Weld-Cellucci Administration, we invite you to engage in business transactions with minority and women businesses in the Commonwealth of Massachusetts.

EXECUTIVE DIRECTOR

Dear Friends:

The State Office of Minority and Women Business Assistance (SOMWBA) supports the utilization and development of minority and women owned businesses. Publication of this Directory is one of the ways SOMWBA promotes the use of minority and women businesses. The Directory is distributed to state agencies, cities and towns, and made available to private corporations and the general public.

We encourage you to utilize the products and services of the businesses listed in this directory. Certified businesses stand ready to provide you with the services you need. Feel free to call or write to any of the businesses when you need a particular resource they provide. Refer the services of minority and women businesses to your colleagues and friends. By doing business with certified businesses, you support their growth and development, and help create jobs in Massachusetts.

Sincerely,

A handwritten signature in black ink, appearing to read "France A. Lopez".

IMPORTANT FACTS REGARDING DIRECTORY LISTINGS

*Inclusion in this directory does not constitute an endorsement of a firm's products and/or services by the Massachusetts State Office of Minority and Women Business Assistance (SOMWBA). Firms and organizations certified by SOMWBA are based on criteria cited in the agency's statute and regulations.

***Business category/industry listings are provided for descriptive purposes only. Category/industry listings do not reflect the level of competency of any business or organization to perform the activity(ies) in which the business or organization purports to engage.**

*Firms are listed in alphabetical order. SOMWBA uses the convention of listing the first word of a company's or organization's name, except if the first word of the name is "The". For example, Thomas W. Jones Inc would be listed under "Thomas". The Flower Shop would be listed under "Flower".

HOW TO READ A COMPANY PROFILE

*The Commonwealth of Massachusetts assumes no liability for certified companies that have been inadvertently excluded from this directory. However, firms listed in this directory may be deleted when they cannot be located through the postal system or by telephone, and after every effort has been made to obtain the firm's current location. We therefore strongly encourage all firms to provide us with any change of address or telephone number in writing as soon as possible.

*Firms that are certified or decertified after this publication are listed weekly in the Massachusetts Central Register, the Boston Business Journal and the Worcester Business Journal. The Massachusetts Central Register can be obtained from the Secretary of State, One Ashburton Place, Boston, MA 02108.
